|      |      |      |      | 27/6 |      |      |      |      |       |       |      |

## Progress:

|   |  |  |  |  |
|---|--|--|--|--|
| <b>Team Work Progress:</b> (Work progress shown in class OR outside class hours)  |  |  |  |  |
| Had a meeting outside of class hours again. At that time, we had split the task, and we did the research for the related coding technique. We also found some resources could be the references for our assignment. Lastly, we have finished some of the part of questions in terms of draft of coding, which are login and invite people join app functions. |  |  |  |  |
| <b>Next Milestone/s:</b> (What is expected of each team member) – <u>Can be filled by Team Leader.</u>  |  |  |  |  |
| <b>Task:</b><br>Continue for the coding.<br>In this week, we are supposed to start with the css and other functions.<br>Have another meeting in the weekend.  | <b>Task:</b><br>Continue for the coding.<br>In this week, we are supposed to start with the css and other functions.<br>Have another meeting in the weekend. | <b>Task:</b>   | <b>Task:</b>   | <b>Task:</b>   |
